## NOTES

The MPC Kit was produced in 2003 by the Maternity Protection Coalition (MPC), comprising the International Baby Food Action Network (IBFAN), the International Lactation Consultant Association (ILCA), the LINKAGES Project and the World Alliance for Breastfeeding Action (WABA), with technical assistance from International Maternal & Child Health, Uppsala University, Sweden (IMCH) and the United Nations Children's Fund (UNICEF). The second edition, produced in 2008, includes two new MPC members: La Leche League International (LLLI) and Academy for Educational Development (AED). LINKAGES, a former project of AED, is no longer an MPC member. The MPC supports women's rights to breastfeed and work, by advocating for implementation and monitoring of improved maternity protection entitlement.
